1– RV door threshold height (open door , measure bottom of door to level ground):

- 14-21 inches- StairLite Model S14 2 steps .
- 21-28 inches- StairSafe D4021 (40x40 deck) D6021 (40x60 deck) or StairLite S21 3 steps.
- 28-35 inches- StairSafe D4028 (40x40 deck) D6028 (40x60 deck) or StairLite S28 4 steps
- 35-42 inches- StairSafe D4035 (40x40 deck) D6035 (40x60 deck) or StairLite S35 5 steps
- 42-49 inches- StairSafe D4042 (40x40 deck) D6042 (40x60 deck) 6 steps

Note: Adjustable Leg option can add up to 4 inches of height. Recommend 3-4 inches of wiggle room from deck (top step StairLite) to bottom of door to allow for unlevel ground or raised patio. Standard risers are 7 inches and deck and step treads are standard non-slip (raised metal). StairSafe model deck is considered as a step. Example: D4035 has 4 step stairs plus deck for 5 total steps.
