

Race Resume Scott Hofmann

Background Information: : I currently live in Elburn, Illinois with my wife, Kathy, and my 4 year old son, Chase. Kathy and I have our own construction/remodeling business. We are fortunate to own our own business as this gives me the flexibility in my schedule for racing. My family fully supports my racing and they travel all over with me in our RV. My young son already shows a bright interest in motorcycles. I myself have been racing since very young – including ATV's and motorcycles. I have raced Beta & KTM's two & four strokes provided by TUF Powersports (DeKalb, IL).

My race plan for 2010 is to race local AMA events in Illinois, Iowa, Indiana, Michigan and Wisconsin and also some National Enduros. I currently race AA or Vet A class in local districts and Vet A class (4 stroke or Open) in Nationals. My main focus is Enduro racing.

Prior accomplishments: I have represented the USA team for the ISDE in 1994-Tulsa, 1997-Italy and 2000-Spain. I earned a silver medal in 1994, 2000 and was injured in 1997 on day 3. I have won AMA National Enduro Championships in 1994 and 2000. I have placed in top five in Enduros many times in Illinois, Iowa, Wisconsin, Indiana & Michigan. I have also been in top 20 overall at National Enduros. I raced the "Last Man Standing" event in Texas (invite only) in November of 2005. I finished in top 30 overall. BAJA 1000 2007 Illinois BAJA Race team 6th place PRO-30 Class Nbr 306-X. First Illinois team to finish.

Summary: Thank you for your support in 2009. I am a person of integrity and would be a valuable asset to represent your company. I promote your products at every race and display posters, stickers, tee shirts, etc... Your support is vital in every aspect of the race.

Please consider me for **your 2010 sponsorship programs.**
